summary: From 28 November 2025, the Museum Dei Campionissimi will host a spectacular new entry, the "Exhibition of the illusions", created by Innovation CGMZ srl, which proposes a fascinating interactive route. Visitors, both young and old, will be stunned by more than 100 amazing installations, including immersive settings, visual games and a space dedicated specifically to virtual reality. The exhibition, which has already been highly successful in Padova, Catania and Brescia, promises to challenge senses and mind, offering a unique journey between science, wonder and fun, perfect for families and children.

Guided tours will be organized for schools by appointment, with specific routes aimed at helping people to understand the cognitive methods of perception.
