

L'Oca Giuliva

Category: Holiday rentals

business description: IDEAL FOR REMOTE WORKERS: Unlimited Wi-Fi allows you to work from the apartment. During your breaks, you're right in the city center and can enjoy a relaxing stroll.

IDEAL FOR TOURISTS (COUPLES, SINGLES, FAMILIES): You're right in the city center and can enjoy a relaxing stroll.

The property is located just a few minutes' drive from the center of Casale Monferrato and is ideal for enjoying a rustic, nature-filled experience. Everything is within easy reach, from restaurants and bars to the station and museums. The property is ideal for short or long stays, depending on the guest's preference.

It's an ideal home for relaxing away from the chaos of the city, yet easily accessible. There are animals (geese and chickens) in the courtyard. We can provide grocery delivery services (typical local products such as Muletta salami, Zanardi stuffed pasta, etc.), car rental, bike rental, beauty services, laundry, medication delivery, and newspaper delivery.

Agreements with bars, pizzerias, and restaurants

Casale Monferrato is a city rich in culture and art: art galleries, museums, a library, monuments, and churches.

It's full of traditional restaurants both in the city and in the hills.

It has several green areas where you can relax and take walks in the city. Surrounding the city are the beautiful hills to explore on foot, by car, or by bike.

Access to a riding club outside Casale for lessons or rides is available.
